The League is a broadly based, nonpartisan political organization that encourages informed and involved participation in government through voter service, and influences public policy through education and advocacy.

Message from our President

Everything you always wanted to know about voting...in the 21st Century!

Voter Education:

Attend as many **LWVPA Candidates’ Forums** and **Pros & Cons Presentations** listed on the **front page of this VOTER** as possible. If you are unable to attend in person, many events will be shown on the MidPeninsula Media Center Local Channels.

Voter Registration:

The **deadline** to register or update your registration is **Monday, October 22**. Your **last minute chance** is from 4 pm to midnight at the Christian Reformed Church, 687 Arastradero Road, Palo Alto.

Vote by Mail:

In the last general election, almost 70% of registered voters in Santa Clara County voted by using a vote-by-mail ballot that was mailed or dropped off at a precinct somewhere in the county. More than 500,000 of our county registered voters have opted for the convenience of Permanent Vote by Mail. Vote-by-mail ballots received early are the first votes to be processed, verified and included in the initial results posted on Election Night. This is referred to as “first in, first counted!” These ballots will be mailed out by the U.S. Postal Service on Tuesday, October 9, to those who have requested one or are listed as Permanent Vote-by-Mail voters.

Drive-Thru Ballot Drop-Off Sites:

The **Mayfield Soccer Complex on the corner of El Camino Real and Page Mill Road** in Palo Alto is a Drive-Thru Ballot Drop-Off Site here in town. The hours are **Saturday and Sunday, October 27 and 28, 10 am - 3 pm; Saturday and Sunday, November 3 and 4, 10 am - 3 pm; and Monday and Tuesday, November 5 and 6, 7 am - 8 pm.**

Also, **Palo Alto City Hall – City Clerk’s Office, 250 Hamilton Ave**, during normal business hours, October 9 through Election Day. **This is a Drop-Off Site, not a Drive-Thru Site.**

Santa Clara County Registrar of Voters contact information:

www.sccvote.org;

Toll-free: (866) 430-VOTE (8683) or (408) 299-VOTE (8683)

The last day to request a vote-by-mail ballot is October 31. Make your vote count by remembering to sign your return envelope.

September Board Meeting Summary

At its September Meeting, your board took the following actions:

- Accepted the August minutes and the Treasurer's Report.
- Ratified EAC Actions to:
 - send a letter to the Planning and Transportation Commission supporting the draft **Transportation Element**.
 - co-sponsor **Stanford's Earth Sciences Department's "Energy Matters"** panel discussion
 - approve **SmartVoter questions** to City Council and School Board candidates.
- Voted to support the Santa Clara Valley Water District proposed parcel tax, Measure B.
- Voted to approve the move of the League office to the Peninsula Conservation Center building.

The board also learned that:

- Final preparations for the September 11 Fall Kick-Off Meeting at the Lucie Stern Fireside Room are underway with Barry Garner, Registrar of Voters, and the Education Committee presentation confirmed.
- Voter Service forums are being arranged. Two City Council candidates forums, a State Assembly and Senate candidates forum and a School Board candidates forum are planned with co-sponsors. Our League will co-sponsor Foothill-DeAnza District and County Board of Education candidates forums.
- **Voter registration** will take place at the **Veterans Administration Hospital** on September 24, 25 and 27.
- **15 volunteers** signed up to train for **Pros and Cons presentations** on September 20. Seven events are already planned and another may be in the works.
- The **Lunch with the League** event on August 17 was a great success with a dozen people attending.
- Two of our members will attend the **Watershed Summit at Foothill College on September 22**.
- Our League is planning to publish its positions on the ballot measures in the local press.

We are moving!

We found a new office at the Peninsula Conservation Center, **3921 E. Bayshore Road**, home to many environmentally focussed non-profits. We will be moved into **Suite 209** by October 1. Many thanks to **Judith Steiner** for telling us about the availability of this space!

New Voices Goes Back to School

New Voices for Youth, an outreach project of LWV of Palo Alto and LWV South San Mateo County, has launched its back-to-school program this month. We now have two sites for our program: Menlo-Atherton High School, after school for juniors and seniors, and Siena Youth Center, Redwood City, for pre-teen and teen groups.

Ana Angel and **Tanuj Chopra**, our project coordinators, have been working on developing a tighter time schedule so that the students complete a project each semester. This year we also have an alumni of the program, who now attends Foothill College, working as a student assistant in the program. We are seeking funding and welcome help from League members on our steering committee.

For more information about the program, visit www.newvoicesforyouth.org/ to see what the kids have done.

Our Fall Kick-Off Double Header featured Barry Garner and Liz Russell

Barry Garner, the Santa Clara County Registrar of Voters (ROV), loves his work so much that he relished the opportunity to speak to us on his birthday! He shared the ROV vision: **earn and maintain the public trust**. The ROV does this by ensuring that its vote count is accurate, that its operations run smoothly and efficiently and that voting is a positive experience for every voter.

The second feature of our Kick-Off was the Power Point of the **LWVPA Education Committee** prepared by **Liz Russell and Carole Stein**. We learned so much from Liz's presentation of this concise, yet very clear, explanation of education funding in California and comparison of the main elements of Propositions 30 and 38. The PDF of this excellent presentation is on our website at <http://lwvpaloalto.org/ElectionNovember2012.html>

The Education Committee is offering this 30-minute presentation to Leagues and community groups throughout the area during this election season. If you wish to arrange a presentation, please contact: Carole Stein at 223-7071 or steingroup89@gmail.com or Liz Russell at 326-2260 or efrussell@gmail.com

SmartVoter® Dramatic New “Next Generation” Design Debuts on October 1, 2012

A revolutionary experience is waiting for you at **Smart Voter’s brand new Next Generation website!** You can go to the special web address of <http://m.smartvoter.org> starting on **October 1 (please, not before!)** to check it out. This cutting-edge update of the League’s award-winning service sports a new streamlined look and an array of feature stories that changes every day. The many enhanced features are especially helpful for the quick information needs and small touch screens of smartphone and tablet owners -- but promise to be fun and interesting for desktop and laptop computer users as well. Get together with your friends and compare the appearance of the Next Generation site – its exact layout will depend on the size of the screen and type of device each of you is using.

Announced at last year’s state League Convention in Ventura and years in planning, the **Next Generation** site addresses dramatic changes in the way that the public now accesses and uses information on the Internet. According to national market analyses and surveys, a majority of the computer devices now being purchased are smartphones and tablets rather than desktop or laptop computers, and a rapidly increasing proportion of voters are relying primarily on such mobile devices to get information on politics and elections.

For this November’s election, **Smart Voter** will be available to California voters in both its traditional format and the new Next Generation design. For future elections, the state League will expand the capabilities, features and innovative content of the versatile Next Generation site. If you have questions, comments or suggestions regarding it, please email ca-director@smartvoter.org. Click the “More” button on the new site to sign up for the Smart Voter newsletter, like us on [Facebook](#) or follow us on [Twitter](#) and receive our latest updates.

Your Voters Guide is Coming!

League members and supporters will receive a copy of our ever-popular **Voters Guide** during the first week of October. This issue contains **Pros and Cons on all the State, County and Palo Alto ballot measures.** The Pros and Cons are non-partisan and present both sides of the issues without reference to League advocacy positions.

Extra copies will be available in the libraries, at candidates forums and other public venues. Many people have a "Pros and Cons" party before election day. Call the League office if you would like extra copies of the Voters Guide.

Special thanks go to **Dan Logan, Bonnie Packer and Phyllis Cassel** for writing the local measure Pros and Cons.

To All Palo Alto League Members Interested in Exploring Ways to Update Our 1999 League Positions on Ballot Initiatives and Referendum

Beginning in November, LWVPA will be forming a **Consensus Study Committee** to discuss the findings and suggestions of the **State League's** year long study group on **Initiative and Referendum Process Update Study (I&R)**. Hearing Professor Christensen (see below) discuss this timely issue will be an excellent way to learn what may be involved in making changes, if any, to the process.

Details to follow in the November *VOTER*. Please contact **Joyce Tavrow** if you are interested in participating in this study.

Submitted by Joyce Tavrow, participant in the State League Study and Chair of the LWVPA yet to be activated I&R study committee.

Advocacy Report

Palo Alto: Transportation Element: The Draft Transportation Element of the Comprehensive Plan was presented to the full Planning and Transportation Commission on August 29. LWVPA presented a short statement saying that we found this Element meets our guidelines and that we support this draft.

Regional Housing Mandate Committee: On July 19, the Association of Bay Area Governments (ABAG) adopted the regional housing needs methodology for the 2014-22 housing cycle. For Palo Alto, the ABAG-needed projection is 2,179 housing units of various income levels. The 2007-14 projection was 2,860 units.

Lunch with League: The first Lunch with League was held at Doris Petersen's house. **Ray Bacchetti** led the discussion on the Palo Alto Blue Ribbon Infrastructure Commission Report. More of these meetings will be scheduled possibly in October and November. Thank you, Doris, for hosting.

LWVUS: The focus for the LWVUS continues to be all about election issues. While they are strongly encouraging local Leagues to register people to vote, do poll watching or work the polls themselves and generally encouraging people to vote, the LWVUS is also **working to fight voter suppression** in conjunction with various state leagues. There have been some wins and some losses. Prevention of voter suppression will continue beyond the election, but now is the peak time.

Submitted by Phyllis Cassel, Advocacy chair

Cubberley Community Center: Currently, Palo Alto is leasing a portion of the Cubberley Community Center land from the Palo Alto Unified School District. However, beginning this summer, meetings have been held to decide the future of this lease, which is due to expire in December 2014. The Policy Advisory Committee (PAC), a group of City Council and School Board members, has led the meetings to study the future of Cubberley. The Citizen's Advisory Committee (CAC) is creating a report that contains the data needed to inform this decision. The report will include considerations of school needs, Cubberley's various tenants, the financial situation of the city, and community needs. Tenant-renter surveys and a neighborhood association survey are also to be included, conducted by Friends of Palo Alto Library and City Council. While the CAC collects information, the PAC will be able to recommend action to the city and PAUSD. The first meeting of the PAC primarily discussed the need to provide an adequate time frame for the CAC to produce a thorough report.
